Dear Mr. Lake:

4585 '99 JUN 22 AIO:47

I STRONGLY OBJECT TO THE US PARTICIPATION IN THE
CURRENT CODEX FOOD LABELLING CAMPAIGN.

The US population has the right to make informed
consumer choices. This whole idea is simply
disempowering the citizens of the United States. We
should have a choice to make decisions about our own
bodies. Not some UNELECTED ORGANIZATION, that meets
secretly behind closed doors. This is a DEMOCRATIC
SOCIETY, we do have a choice, do not take away our
freedoms.

I feel the US population has the right to have FULL
KNOWLEDGE of the SOURCE and CONTENTS of the FOOD we
eat.

Thank you.

Sabine Toussaint
